

Method Practice

By: Megan Avery
Updated March 2019

Before We Begin

- Make sure you have Java & Java JDK downloaded on your computer
 - can run **java -version** in terminal to check
- Make sure you have IntelliJ downloaded on your computer
- *Suggested:* Watch previous Java tutorials

Method Practice

Write the following methods:

- Return the area of a circle
- Return the area of a square
- Return the smallest of 3 numbers
- Return the smallest of 4 numbers (should overload the previous method)
- Print the sum of 3 numbers
- Print the area of a triangle (area = length * height / 2)

The End
